AFTER SCHOOL PROGRAM

2024-2025 SCHOOL YEAR

Dear Parents and Guardians,

We are looking forward to another great year with the **After School Program!** We will have a few new staff members and some returning ones. We are celebrating our twenty-eighth year providing after-school care to elementary students in the Farmington Schools. We hope this experience will be enjoyable for you and your child. Caring for your child/children is our top priority. In the last several years, however, we have met certain challenges and have decided to address these at the beginning of each year.

TUITION: All accounts are required to be set up through auto pay and will be processed weekly on Fridays before the next week of child care. We will supply parents with the paperwork that will need to be completed for auto pay. Tuition is prorated when the school is closed for three or more days during the week. (Ex: snow days and holidays). Tuition at that time will be \$18.80/day. Tuition will not be prorated for days when a child is absent. (Ex: personal vacation, sick days, ball practice, etc.) The number of **After School Program** staff on site is based upon the total number of children enrolled. **If your child will not be attending the program on a particular day, please notify the staff or leave a message at 267-KIDS or 479-409-0817.**

Two weeks' notice is required if you decide to remove your child from the After School Program.

HOURS OF OPERATION: The **After School Program** begins at the end of each school day. If school dismisses early due to inclement weather begins at the end of each school day. If school dismisses early due to inclement weather or "Early Out Days" (after lunch is served) we begin caring for children at that time. The program is open until 6:00 p.m. If a child is still at the program past 6:00 p.m., there will be a \$1.00 per minute charge for each minute after 6:00 p.m. This will be payable upon late arrival.

We appreciate your cooperation and partnership as we work to give your children the best care possible.

Thank you,
Sandy Tennant. Director
